INTRODUCTION TO EVERY NATION

Introduction to Every Nation teaches the mission, values, and culture of Every Nation. It aims to provide you with a greater understanding of the heart of Every Nation.

OLD TESTAMENT SURVEY

Old Testament Survey provides a general overview of each Old Testament book, its contribution to the unfolding story of redemption, and its central theological themes.

NEW TESTAMENT SURVEY

New Testament Survey provides background information about the authorship, style, and purpose of the New Testament writings in order to equip students to become effective ministers.

CHURCH HISTORY

Church History enables students to apply historical perspectives and ancient wisdom to problems facing the church today and, through examples from church history, inspires students to attempt great things for God.

HERMENEUTICS

Hermeneutics helps students become more proficient in reading the Bible and understanding the principles and methods needed to interpret the biblical text accurately.

SYSTEMATIC THEOLOGY 1

Systematic Theology 1 provides an understanding of the authority of Scripture and the nature of God and inspires students to study and teach the Bible accurately.

SYSTEMATIC THEOLOGY 2

Systematic Theology 2 provides an understanding of the incarnation, the Holy Spirit, and the human spiritual condition and inspires students to grow in awe of God and compassion for people.

HOMILETICS

Homiletics provides an understanding and appreciation of fundamental truths about preaching and equips students with basic principles for creating sermons.

SYSTEMATIC THEOLOGY 3

Systematic Theology 3 provides an understanding of salvation, the church, and eschatology and helps students incorporate these doctrines into their life and ministry.

LEADERSHIP

Leadership reflects upon what it means to be a leader, developing new leaders, and sustaining multi-generational leadership development.

SPIRIT-EMPOWERED CHURCHES

This course examines the defining characteristics of Spirit-empowered churches, exploring the biblical and theological foundations and practical expressions of life in the Spirit. It seeks to equip, inspire, and challenge students to cultivate a deeper communion with the Holy Spirit and to participate more fully in the Spirit's transformative work within their own lives and their church and ministry contexts.

GOSPEL AND EVANGELISM

Gospel and Evangelism equips believers and local churches with foundational biblical truths, principles, and values to engage in communicating the gospel effectively in local contexts. The course reviews the essential biblical content of the Gospel, provides culturally neutral principles and processes for evangelism through the local church, and highlights critical components for establishing a fruitful, sustainable, discipleship-focused evangelism culture in the local church.
